**WNTC To Go On Air 1:30 P. M. Sat.**

## **WNTC Reopens With Football Broadcast**

At 1:30 on Saturday afternoon, September 25th, Campus Station WNTC will inaugurate its broadcasts for the school year. At that time, the station will carry to its public the football contest between Clarkson College and Champlain College at Snell Field. Dick Feldman, Clarkson student and veteran sports announcer, will be at the mike.

The station has also completed plans to broadcast Clarkson's other two home games, against Cortland State Teachers on October 2nd, and Lowell Institute on October 23rd. All three of these games are being sponsored by two Tech alumni, Han Foote and Ray Williams.

During the summer, the Clarkson, P.S.T.C. Radio Station, W.N.T.C., has moved to its new headquarters in the building behind the Crane House. A small studio and a complete control room are already built and ready for use. With the aid of the increased population at Clarkson, it is expected that the large studio, big enough to hold a five piece orchestra and the record library, will be finished in quick order.

W.N.T.C. broadcasted from nine to eleven every weekday evening this past summer. "Campus Jam-boree," and rebroadcasts of P.S.T.C. musical events were among the programs.
